

Woodlawn School
Tuition Schedule and Financial Policies
2008-2009 School Year

- 1) Tuition fees for the 2008-09 school year are \$9,000—this covers most costs during the school year. It does not cover the testing fee required for admission, art and general supplies, and some consumable novels/workbooks. It also does not cover optional costs including the school yearbook, school pictures, items from the school store, and hot lunches. A nonrefundable activity fee of \$150 covers most of the fields trips taken during the school year. Exceptions include overnight trips and special trips exceeding \$10 per student.
- 2) The deposit to reserve your child’s spot at Woodlawn is nonrefundable and is applied to tuition. A student’s spot will not be reserved until the deposit is submitted and a payment plan has been selected (see below).
- 3) It is understood that enrollment at Woodlawn is for the entire school year. Except in the case of relocation of more than 50 miles from the Woodlawn campus, tuition is due for the entire academic year. No refunds will be made regardless of the student’s actual attendance. In addition, there are no refunds in the case of student expulsion.
- 4) Tuition for students enrolling after the first day of school will be prorated. Students enrolling during the second trimester must use the trimester payment plan for the remainder of the school year.
- 5) The financial aid program (Trailblazer Fund) is designed to help families in providing an education for their children when finances are limited. A third party will analyze the financial aid requests. The application for financial aid includes detailed financial information as well as requiring a copy of the most recent IRS form 1040 or 1040A. All completed forms are to be submitted by parents to this third party. Families desiring to apply for financial aid should request a form from the school office.
